

GENERAL SURGERY ST/REGISTRAR TEACHING 2011/12

Mr. Mark Cartmell (Consultant Surgeon in Barnstaple) organizes the teaching programme for ST/Registrar trainees in the Severn and Peninsula Deaneries.

The teaching days occur every first Friday of the month (except October and January) and constitute a 3-year programme to cover the ISCP curriculum.

The programme is a rolling schedule over 3-years. 2011/12 is the second year of the programme.

Please see the attached documents that provide the schedule for this year (2011/12).

The following table summarises dates, curriculum and venues;

<u>Date</u>	<u>Venue</u>	<u>Curriculum</u>
4/11/2011	Bristol Royal Infirmary, Bristol	Liver Disease and Surgery Academic Vivas
