

# Effective working relationships

6 CPD Points applied for

Open to All SAS Severn Region Doctors

**Based on the highly successful professional and generic skills module using Myers Briggs Type indicator®**

*The session is run by Sarah Johnson and Jamie Parker*

## Previous delegates' answer to the question -

**"I think this Course will help me to ... ?"**

- ◆ "Improve the quality of relationships with my colleagues"
- ◆ "Communicate with patients more effectively. Deal with colleagues better according to their personalities"
- ◆ "Increase my repertoire of consultation skills. Understand better (and hopefully accept) different styles of team members"

## Details

When

- ◆ Thursday 27th June 2013

Where

Redwood Education Centre,  
Gloucester Royal Hospital,  
Great Western Road  
Gloucester, GL1 3NN

Timing:

- ◆ Start 9:30 - Finish 4:30

Cost (lunch included)

- ◆ £0 SAS doctors in GHNHSFT & Gloucestershire Care Services
- ◆ £50 for all others

## Programme objectives:

- ◆ Accurately identify your personality type using Myers-Briggs
- ◆ Use your personality type to understand your own and other's preference to explore new ways of behaving
- ◆ Recognise and value 'normal' personality differences, including diversity & equality
